Notice of Annual General Meeting

Message from the Chairman

Dear Member,

2019 Annual General Meeting

The Society will be holding its AGM on Tuesday 17 December at Head Office, Festival Park, Hanley at 6.00pm. As a business owned by its members this is your opportunity to both vote on a range of matters and to meet the Board and staff of Hanley Economic, so do please come along if you can. Enclosed with this notice is the Summary Financial Statement which shows that your Society has performed strongly this year, recording its highest ever level of new mortgage advances whilst savings increased by 9.20%.

At the AGM we will be asking members to vote on the Society's Accounts, the re-appointment of KPMG LLP as Auditor and the Directors' Remuneration Report.

Simon Woodings is seeking re-election as a Non-Executive Director and Larne Payne election as an Executive Director. A short statement by all Directors seeking re-election or election can be found on page 4.

The Board review annually the mix of skills and performance of Directors, both individually and collectively, to ensure the range of expertise and experience remains appropriate for the effective governance of the Society. It is the recommendation of the Board that you vote in favour of all of this year's propositions. We have reappointed Howsons Electoral Services to act as independent scrutineers to oversee the collection and counting of your votes for this year's meeting.

Please make use of your right to vote, which can be done in a number of ways. Enclosed with this notice is a personalised voting form that you can complete and return to the scrutineers in the prepaid envelope or it can be handed in to any of our branch offices where it will be passed to the scrutineers. Alternatively we offer the option for you to vote online by completing your proxy form which can be done by visiting our website at www.thehanley.co.uk/aggm. This link will connect you directly to the scrutineers' secure website which contains full instructions on how to complete and submit your proxy form online.

As an incentive for you to use your vote and as part of our ongoing support for the local community, the Society will contribute to a local charity 10p for each completed proxy form it receives for this year's AGM and will increase this to 35p for each proxy form submitted online across our four partner charities.

Chairman

Election Addresses

SIMON WOODINGS

I am pleased to have served as a non-executive director of the Hanley Economic for three years, during which time the Society has grown and enjoyed continued success. I am delighted to be part of the Hanley Economic 'family' and to offer myself for re-election.

I have been a member of Hanley Economic for most of my life - my parents opened an account for me shortly after I was born. I took my first mortgage from Hanley Economic and since joining the board of directors I have seen many positive changes at Hanley Economic and admire both the ambition and successes achieved.

Service and prudence are values that have served me well in business and I know these are shared with the team at Hanley Economic, being core to Hanley Economic's business model and active values in its day to day running.

I greatly look forward to being involved in Hanley Economic's future development and, with their support, continuing to serve its members.

LARNE PAYNE

I am delighted to have been appointed as Finance Director of the Hanley and co-opted to the Board after seven years of service within The Society's finance function.

As someone born and raised locally, and being both an employee and long serving member, I am exceptionally proud of what we, as a mutual organisation, have achieved over this time, and how we continue to strive and compete in what can only be described as an extremely challenging, macro-economic environment. Our robust strategy continues to keep members interests' as our primary priority through the provision of quality mortgage and savings products, skilled informed advice and outstanding customer service alongside our dedicated support of the wider local community. It is these established core values that allow us to remain stable whilst agile and they are values which I, with your support, am committed to preserve.

I would be honoured to play a part in the future of The Society, in the continuation of building and strengthening our traditional heritage whilst remaining devoted to driving innovation and dynamism to sustain our long term outlook for the members of the future.
